

OUR MISSION

The Make-A-Wish® Kansas City Young Professionals is a diverse group of young leaders who are dedicated to supporting Make-A-Wish® in Kansas City. Members help to promote their local Make-A-Wish® chapter by hosting social and professional development events geared toward young professionals in order to increase awareness, encourage volunteerism, and raise funds for the foundation. It is our mission to provide a community to develop and enhance professional growth, leadership skills, and civic duty in a fun and social atmosphere.
