

OUR MISSION

The Make A Wish St Louis Young Professionals are a diverse group of young leaders who are dedicated to supporting the Make A Wish Foundation in St. Louis.

Members help promote Make A Wish by hosting events geared towards young professionals in order to increase awareness, encourage volunteerism and raise funds for the Foundation.

It is our mission to provide a forum to develop and enhance professional growth, leadership skills, and civic duty in a fun and social atmosphere.

INFORMATION ABOUT OUR EVENTS

- ◆ **A chance to network.** The group will host networking, social and fundraising events. All fundraising events will benefit our goal to grant two wishes per year to local “Wish Kids”, and give individuals an opportunity to network with other St. Louis Young Professionals.
- ◆ **An opportunity to give back.** A primary focus of the group is to help members grasp how important it is for young people to get involved in the community. Make A Wish makes this very easy for young professionals through numerous volunteer options, and it is in need of our support.
